

Addison County River Watch Collaborative **TRAINING & FARM VISIT**

Saturday, March 21, 2020

9:00am to 11:30am/Field Trip:12:00-1:30

Addison County Regional Planning Commission

14 Seminary Street, Middlebury; 388-3141

**Calling all volunteers interested in water quality in local
streams & rivers!**

~~~

The Addison County River Watch Collaborative (ACRWC) is a group of citizen scientists who have been monitoring the quality of Addison County rivers, streams and creeks for over 20 years.

This volunteer training prepares us for the coming season of collecting water samples in the Otter Creek, Middlebury River, Lemon Fair River, New Haven River, Lewis Creek, and Little Otter Creek watersheds.

The indoor portion of the training will be followed by a guided field trip to Meeting Place Pastures' organically pastured cattle and sheep farm in Cornwall from 12:00-1:30pm. The farm visit will include information about Required Agricultural Practices, many of which are in place to protect water quality.

**Please let us know if you would like to volunteer:**

Matthew Witten, ACRWC Managing Director: 434-3236;

[mwitten@gmavt.net](mailto:mwitten@gmavt.net); Webpage: <http://acrpc.org/acrwc>

**Bagels, Coffee & Fruit will be served starting at 8:30.**
